EXPERIENCE

Main Street Radiology, Bayside, NY - Receptionist

November 2021 - Present

Our office has over 300 patients daily with each having specific needs that need to be met. Learning processes in a fast paced work environment to be able to assist in a variety of scenarios.

Anthony's Coal Fired Pizza, Great Neck, NY - Waiter

March 2020 - April 2020

After a promising start in my position with room to be promoted to bartender, my time was cut short due to Covid-19 putting that location out of business.

Mike and Maggie's Pizzeria, Flushing, NY - Waiter

November 2016 - March 2020

At a small local pizzeria I was able to enhance my professional communication and how to deal with customers and product providers.

EDUCATION

Full Sail University, Winter Park, FL — *Bach. Game Design*

August 2018-September 2022

Currently in my Senior year of my degree program with an overall GPA of 3.3. I am dedicated to my craft and am eager to learn everything there is to know about impactful design and how a person can perceive it.

New York Institute of Technology, Manhattan, NY — *None*

August 2016-May 2018

After pursuing my dream of studying Architecture I soon realized that the world of building design was not for me. I made the tough decision to not stay in a place where I wasn't happy and decided to change my degree after my second year to more suit my interest and my capabilities as a designer
